

## CA21145 EURESTOP – Last-minute call in Grant Period 3 (GP3) for:

- Short-Term Scientific Missions (STSMs)
- Young Researcher and Innovator (YRI) Conference Grants
- ITC Conference Grants

IMPORTANT NOTE: GP3 ends in 31/10/2025

### CALL

This call is formally a DIRECT collection of applications in eCOST for the grant types above, which is possible thanks to remaining budget in GP3.

For detailed information on the grant types, eligibility criteria, documentation, and any other detail please refer to the COST Annotated Rules available here: [COST-094-21-V2.0-Annotated-Rules-for-COST-Actions-Level-C.pdf](#)

### APPLICATION PROCEDURE

There is no deadline for this call. Applications submitted in eCOST will be reviewed on a weekly basis and will be granted based on their adherence to the EURESTOP objectives, duration (for STSMs) and budget requests. Applications will be approved until the budget will be available, according to the criteria below. A notification will be sent to the EURESTOP community as soon as the budget will be expired.

- An estimate of around 1.500€ per STSM and 800€ per ITC/YRI Conference Grant is suggested, although requests for higher amounts might be accepted, if properly motivated.

**IMPORTANT NOTE:** STSMs and ITC/YRI Conference Grants approved in GP3 must be completed by **October 1<sup>st</sup>, 2025**. Reimbursement requests must be submitted no later than 3 days from the end of the grant. To avoid delays, please pay particular attention to the correctness of the documents submitted for reimbursement.

### REIMBURSEMENT PROCEDURE

Expenses can be reimbursed through the Grant Holder, which is the University of Siena (UNISI). For an overview of the reimbursement process, please refer to the procedure described in the EURESTOP website at this url: [Reimbursement Rules - EURESTOP](#) as well as to the COST Annotated Rules.
