

## WORKING GROUPS

### Working Group 1

Genomics – Proteomics – Glycomics  
and Diagnosis

**LEADER: Dr. Dana REICHMANN**, The  
Hebrew University of Jerusalem  
**Email: danare@mail.huji.ac.il**

### Working Group 2

Microbiology – Microbiota

**LEADER: Dr. Younes SMANI**, Andalusian  
Center of Developmental Biology  
**Email: ysma@upo.es**

### Working Group 3

Drug Design and Delivery

**LEADER: Dr. Carole DEVAUX**, Luxembourg  
Institute of Health  
**Email: carole.devaux@lih.lu**

Funded by  
the European Union

COST ACTION [CA21145]

# EURESTOP

European Network for diagnosis and treatment of antibiotic-resistant bacterial infections

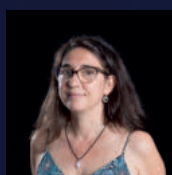

## ABOUT TEAM

**Mattia Mori**

**Chair**

mattia.mori@unisi.it

**Patricia Rijo**

**Vice Chair**

patricia.rijo@ulusofona.pt

**Cristina Nativi**

**Science Communication Coordinator**

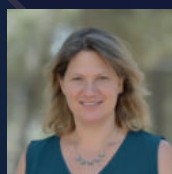

cristina.nativi@unifi.it

**Priyanka Sahariah**

**Grant Awarding Coordinator**

prs@chemrsc.org

**Dana Reichmann**

**WG1 Leader**

danare@mail.huji.ac.il

**Younes Smani**

**WG2 Leader**

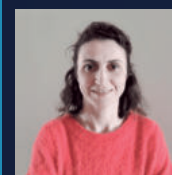

ysma@upo.es

**Carole Devaux**

**WG3 Leader**

carole.devaux@lih.lu

**Didem ŞEN KARAMAN**

**Young Researchers & Innovators coordinator**

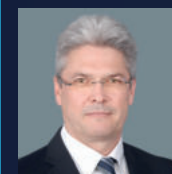

didem.sen.karaman@ikcu.edu.tr

**Tomislav Meštrović**

**Stakeholders coordinator**

tomislav.mestrovic@gmail.com

**Stephen Hawser**

**Science Strategy Advisor**

shawser@ihma.com

## ABOUT THE PROJECT

The rise of drug-resistant bacteria poses a global threat. This COST Action unites experts to tackle the crisis with multidisciplinary approaches, focusing on genetic understanding, innovative diagnostics, and therapies. It promotes collaboration, European research competitiveness, and the creation of new businesses.

Priority is given to training young scientists, especially in less developed countries. In summary, a vital initiative against drug-resistant bacterial infections.
